Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.97(d)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(d), Applicants bring to the attention of the Office the documents listed on the attached Form PTO/SB/08. This Supplemental Information Disclosure Statement ("IDS") is being filed after the Notice of Allowance dated March 21, 2005, and concurrently with payment of the Issue Fee. In compliance with 37 C.F.R. § 1.97(d), this Supplemental IDS is accompanied by a fee of \$180.00 as specified by 37 C.F.R. § 1.17(p) and a certification as specified by 37 C.F.R. § 1.97(e)(2).

Based on a reasonable inquiry, no document listed in this Supplemental IDS was cited in a communication from a foreign patent office in a counterpart foreign application

and no document listed in this Supplemental IDS was known to any individual designated in 37 C.F.R. § 1.56(c), more than three (3) months prior to the filing date of this Supplemental IDS.

Copies of the newly listed documents, excluding any U.S. Patents, are attached. Applicants respectfully request that the Office consider the listed documents and indicate this consideration by making appropriate notations on the attached Form.

Further to the Notification of Pending Litigation filed on July 23, 2004, in the above-referenced application, Applicants submit two additional documents from the on-going litigation *L’Oreal S.A., et al. v. Estee Lauder Companies Inc., et al.*, Civil Action No. 04-1660 (D.N.J.). The first document is a copy of Estee Lauder’s Amended Answer and Counterclaims, dated April 21, 2005, and the second document is a copy of Estee Lauder’s Response to Plaintiff’s Third Set of Interrogatories (Nos. 8-13), dated June 21, 2005. Both of these documents are enclosed with this Supplemental Information Disclosure Statement and listed on the IDS Form PTO/SB/08.

The United States Court of Appeals for the Federal Circuit held in *Dayco Products, Inc. v. Total Containment, Inc.*, 329 F.3d 1358 (Fed. Cir. 2003), that an “adverse decision” by another examiner may meet the materiality standard under amended 37 C.F.R. § 1.56 and, thus, applicants should disclose prior rejections of “substantially similar claim[s]” to the Office. Accordingly, although Applicants do not represent that the Office Actions in the co-pending applications are material to the present application and do not admit that any of the other claims are substantially similar, out of an abundance of caution Applicants have listed the substantive Office Actions issued in co-pending applications on the attached PTO/SB/08. At the

Examiner's request, Applicants have not included copies those Office Actions issued in the co-pending applications by the present Examiner of this application.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Office applies any of the listed documents as prior art against any claims in this application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any additional fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
